

J.H. Hull Physical Education
Dress Code Policy

Acceptable Clothes and Shoes

- Any athletic style clothes and shoes that are appropriate for physical activity.
- Crew neck T-shirts, sweatshirts, sweatpants, athletic warm-ups, and any sports specific clothes.
- Running shoes, cross training shoes, and sports specific shoes (ex. Basketball shoes, volleyball shoes, etc.)
- Cross trainers are best for P.E. because they are good for running long distances, as well as playing games and sports.

- Pants and shorts must be tightly secured around your waist, in order to prevent sagging.
- The length of all shorts must meet the school's dress code policy.
- Athletics skirts are acceptable only if a pair of shorts are worn underneath.
- Shoe laces must be tightly secured, in order to prevent shoes from slipping off of your feet during participation.

Unacceptable Clothes and Shoes

- Denim jeans, khakis, or Dickies style pants or shorts.
- V-neck T-shirts, tank tops, or camisole (cami, low cut) shirts.
- Skater style shoes.
- Casual style shoes (Vans, Chuck Taylor Converse, etc.)
- Slip-on style shoes (any shoes without laces or straps).
- Boots (ex. UGGs) or dress shoes.

When purchasing shoes, focus on the style of the shoes versus the brand. For example, Nike makes skater style shoes, which are not allowed in class.

Mr. Nash will be selling J.H. Hull P.E. clothes. **Purchasing P.E. clothes through the school is optional**, however, the prices are very reasonable.

There are no requirements for the color of clothes or shoes.
