Principal's Message

As we move from November to December it is an ideal time for "Thanks" and I have many things for which I am thankful. I am surrounded daily by caring professionals, enthusiastic students, and interested and informed parents. I have been blessed through the many relationships that I have been privileged to develop here at J.H. Hull.

Our business partner MOOG aircraft is coordinating the Holiday Gift Angel program to purchase holiday gifts for needy families to be distributed by the Salvation Army. Donations can be made through classrooms sponsoring a Gift Angel. I would also like to give a "big thank you" to Barbara Colclasure for her dedication to this cause. I have just met with our new MOOG representative, Celeste Nevarez and we are planning many opportunities to help staff and students this year and for years in the future.

I would also like to thank all the great parents, teachers, and students who have been contributing to our success. The PTSA has been active raising money for school events through a variety of fundraising activities. Not to mention, the hours volunteered to plan and organize all of the various programs. The many great things going on at J. H. Hull would not be possible without our PTSA!

I would like to take this opportunity to congratulate the following teachers: Rob Nelson and Ron Ambro for receiving a "STEM" Award funded by ExxonMobil. I would also like to recognize the contributions of the J.H. Hull student council and their advisors Summer Koepp, Barbara Colclasure, and Megan Wareham. Under the student leadership, the student council has been active in organizing spirit week, fundraisers, grade competition activities at the Spirit Assemblies, just to name a few.

An upcoming event includes: the Winter Music Concert on December 16th starting at 6:00 p.m. in the MPR.

Thanks again to all the volunteers! I wish everyone in the J.H. Hull family a safe and enjoyable Holiday Season.

PTSA President Message

Hello Hawk Families-

We've been in the thick of PTA activities these past several months. Our roller skates are beginning to show wear on their wheels and we are looking forward to a well desired Winter break.

We had another fantastic profit year with our Cookie Dough/Magazine Sales fundraiser. These funds go directly to helping support field trips and 8th grade end of year activities. Thanks go to Debbie Hays, our Fall Fundraiser chairperson, PTA volunteers for organizing and helping with the distribution of the cookie dough, and all of you who supported this fundraiser. Thank you all for your patience with the back ordered and the few missing items.

Student Council did a great job this year of helping PTA with getting the word out about saying "no to drugs" during our Red Ribbon week. They came up with a great theme and activities, including daily "dress up" for students to show their support. Participants received a stamp for each day they dressed up and at the end of the week, those that showed their support all five days received a special treat. Mrs. Koepf, our Student Council advisor, said they had over 150 dressed up every day. Way to show the hawk spirit!

PTA's Reflections art program winners were announced and we are glad to be sending our first place winners in each category on to the Council level contest. Winners from the Council level go onto the 33rd District and continue to possibly advance to the National level. It's a great way to show what our Torrance kids can do. It is so nice to see the wonderful talents and PTA encourages all students to unleash those talents in a positive way. Look for the list of participants and winners in this edition. Lucy Sheardown, thank you for chairing this program this year and coordinating the fun bingo party for participants. Parents encourage your kids next year.

It was so nice to see kids purchasing books upon books for their reading enjoyment during our Scholastic Book Fair event. We ended the week long event with an evening paired with Color-Me-Hull. PTA raised \$1000 for our Hull library and Color-Me-Hull made \$700 for the Tech Lab. Library funds go directly into the purchase of new books for students to check out so I better hurry up and take advantage of some of the good holiday sales. Thank you, June Ward for chairing book fair this year. Thanks also to Carrie Kikuno and the other volunteers for organizing the food for families to enjoy a nice evening of good grub and painting.

We also had a fabulous time having fun the Hull Harvest Festival. Our PTA sponsored games where just two of the neat ways to help reward our Hawks for being Hawksome students. Eligible students got to run around and play, play, play a variety of games, get their faces painted, participate in a watermelon eating contest, take crazy pics at a photo spot or just have fun jump'n rope or hula hoop'n. This is a fun couple of hours to allow our kids to let their hair down and let their brains chill out and PTA is happy to be involved.

This past week we've wrapped up our See's Holiday sales and held our First Quarter Honor Roll party. While a little more challenging to come up with treats to reward our eligible students, Lucy Sheardown, our Roll chairperson came up with a cool idea this time; popcorn with flavored sprinkle toppings. She didn't know it at the time but this is becoming a new treat at the local movie theaters. Kids enjoyed flavoring their freshly popped popcorn with a choice of Ranch, Garlic or Parmesan cheese. We had over 250 kids come through during the lunch hour so major kudos go out to the volunteers for hustling out the bags kids to grab.

I'm so proud of the things our Hull PTSA has done to date. Reading over all of this it's no wonder I'm tired, but it's a good kind of tired because it's supporting and acknowledging our super hardworking kids. I'm really ready for the Winter break now. Before I go, I'd like to wish you all a blessed holiday season, spending time with family and friends. Special thanks and blessing to my PTA board, chairs and volunteers and their families. Thank you for your time and efforts so far this year.
