

J.H. Hull Physical Education Dress Code Policy

- All students must wear athletic style clothes and shoes during class.
 - T-shirts, sweatshirts, sports specific clothes, etc. are appropriate for class.
 - T-Shirts must have a collar around the neck. V-neck shirts are acceptable.
 - Cross training shoes are best for P.E. because they are good for running long distances, as well as playing games and sports.
- When the weather is cold, sweatshirts, sweatpants, and warm-up will be accepted.
- Pants and shorts must be tightly secured around the waist, in order to prevent sagging.
- No jeans pants and shorts.
- No camisole (cami) style shirts.
- No Jackets.
- No skater shoes.
- No casual shoes (Vans, Old School Converse, etc.)
- No slip-on shoes.
- No boots or UGGs style.

When purchasing shoes, focus on the style of the shoes versus the brand. For example, Nike makes skater style shoes, which would not be allowed for class.

Any student who is not dressed appropriately for P.E. will lose all of his/her points for the day and he/she will not be allowed to participate.

Each student will have his/her own locker. Please purchase a lock to prevent theft and vandalism. Combination locks are best. Please have your child memorize his/her combination and practice opening the lock.

Mr. Nash will be selling P.E. clothes. Purchasing P.E. clothes through the school is optional, however, the prices are very reasonable.

There are no requirements for the color of clothes.
